

Carrie Daanen '92 | Chair

Carrie Daanen was most recently part of Galliard's Executive Management Team. As one of five Managing Partners, Carrie was integrally involved in defining the firm's overall business strategy and setting the firm's direction for future growth and success. With more than 20 years of experience in the investment management industry, Carrie contributed to Galliard's ability to provide client-aligned investment solutions for institutional investors. During her time at Galliard, Carrie oversaw Client Service, Consultant Relations, New Business, and Marketing and Communications, and was partial responsibility for Client Portfolio Management.

Prior to joining Galliard in 2004, Carrie served as Group Vice President in Consultant Relations at Trusco Capital. Prior to Trusco Capital, she was a Senior Vice President for SunTrust Banks. Carrie holds a B.A. in Economics from the University of Central Florida.
