

Dr. Gideon Lewis '00 | Elected Director

Dr. Gideon Lewis is a renowned sports medicine lower extremity specialist, well-known for working with professional athletes from a wide array of sports. He is double Board Certified in Reconstructive Rearfoot/Ankle and Foot Surgery. Dr. Lewis is a proud Fellow of the American College of Foot and Ankle Surgeons and he completed his Foot and Ankle Surgical Residency at Florida Hospital with extensive training in Advanced Foot and Ankle Surgery.

Dr. Lewis is very active in academics, as he is a Clinical Professor with the Florida State University College of Medicine and an Assistant Professor with the UCF College of Medicine. Most recently he was named Chief Sports Medicine Faculty Advisory for the UCF College of Medicine (OSMIG) and appointed to UCF's Student Athlete Leadership Center Advisory Council.

Gideon resides in Orlando, Florida.
