

Carrie Daanen '92 | Chair

Carrie has more than 25 years of experience working in the investment management industry. In 2019, Carrie retired as a Managing Partner of Galliard Capital Management which is a \$95B institutional asset management firm focused on solutions for Fortune 100 and 500 companies as well as large public pension plans and other segments of institutional investors. Carrie was comprehensively involved in defining the firm’s overall business strategy and setting the direction of the firm’s future growth, developing customized client strategies, and client and consultant relations.

Carrie is a '92 alumna of the University of Central Florida (UCF) with a BSBA in Business Economics. She serves as the Chair of the UCF Foundation Board of Directors and the UCF Foundation Board's Investment Committee. Carrie holds a position on the UCF College of Business' Finance Advisory Committee. In 2016, Carrie was inducted into the UCF College of Business Hall of Fame.

Carrie also serves on the Lake Highland Preparatory Board of Trustees and on the Raymond James Client Advisory Board. Carrie is passionate about identifying, supporting, and developing women in the asset management and finance industry. In 2019 Carrie was nominated for “Woman of the Year” in Women in Investment and Asset Management Awards.
