

# Tandreia Bellamy '98 | Elected Director

**Tandreia Bellamy** is a retired vice president of SCS (Supply Chain Solutions) Engineering at UPS in Alpharetta, Georgia. In this position, she directed all industrial engineering activities related to service improvement and cost reduction for the business unit's key product offerings: distribution, service parts logistics, mail innovations, and air/ocean freight forwarding.

In her nearly 35 years with UPS, she has held numerous management roles with the company. Prior to her supply chain roles at UPS, she was the west region vice president of Engineering, overseeing operations in 25 U.S. western states. She began her UPS career in 1986 as a part-time package handler while completing her undergraduate degree, and afterwards held various engineering and operations positions in Orlando and Atlanta. Bellamy began a supply chain consulting business in October 2021. In 2006, Bellamy was named Business Advisor of the Year by INROADS of Minneapolis-St. Paul, and in 2009 she was recognized as a Technology All-Star at the Women of Color STEM conference.

Bellamy was interviewed on Supply Chain Now Radio (for the second time) in 2019 and she was asked about her education at UCF. She told the interviewers that she chose to attend UCF because it was a hidden gem at the time, and she spoke highly of CECS among many of the programs and initiatives that are different from other schools. She mentioned the various partnerships with the engineering firms and other businesses, as well as Limbitless. <https://www.youtube.com/watch?v=D8b29Gtm-II>

In addition to her UCF education, Bellamy earned her undergrad degree in Industrial Engineering and Management Systems at Stanford University in 1989 and a Master's Certificate in Project Management at George Washington University in 2000.
