

Roslyn Burttram P'20 | Vice Chair

Roslyn Burttram spent over 30 years in the nursing and healthcare field. She worked as a critical care nurse for many years, transiting to then work in the biotech industry. As a senior medical liaison, she communicated important scientific information and data to healthcare professionals. She is now bringing her expertise, talents and creativity in the corporate world to the UCF Foundation Board, where she serves as Vice Chair.

Over the past seven years, she has volunteered as a Mentor, member of the 40 Knight Nurse Award Selection Committee and as an Embedded Participant in the simulation lab. In addition to her service, Roslyn and her spouse, Jody have also made significant donations to support top priorities in the College. In 2019, they established The Edwin & Sarah Smith Endowed Scholarship that will support PhD nursing students. In 2021, their donation supported the purchase of an important piece of equipment for the simulation lab.

Roslyn holds a BS in Nursing from The Medical College of Georgia and a MS in Pharmacy, Applied Pharmacoeconomics from The University of Florida.

Roslyn has served on the UCF Foundation Board since 2019 and has served on the Executive, Governance, and Donor Engagement & Stewardship Committee.

Roslyn is a UCF parent to Jackson '20.
